

Dear Geography Bee participant and parents,

This year's Geography Bee is being held on *Wednesday, January 12, starting at 3:45 p.m.* as printed on the National Geographic Bee Schedule in October. However, it will be held **in the O. B. Laing Middle School Auditorium**. The public is welcome to attend. The length of the bee is determined by the number of participants, but usually takes about an hour.

Awards will be presented at the end of the competition and pictures will be taken. Feel free to bring your own camera if you also wish to take pictures.

Sincerely,

Mrs. VanDeventer
Geography Bee sponsor
